

## **Staff Awards - Nomination forms**

## Closing date Friday 22nd November

We are holding a staff awards night, early December and would really value parents input in nominating a playworker/ practitioner for the parents' choice award. This could be for something they may have helped you personally with, going above and beyond, going that extra mile, being a friendly face or maybe even a friendly ear when it was needed, something that makes this person stand out. This could be a member of staff from any setting including the holiday club.

To help me with the judging process I will need you to tell me in no more than 50 words who you have chosen and why this person deserves to win "The parents' choice Award"
